PROFESSIONAL SUMMARY

Results-driven Warehouse & Logistics Supervisor with over **9 years of hands-on experience** in managing warehouse operations, inventory control, and logistics coordination across diverse sectors, including **FMCG, food production, agriculture, and construction contracting**. Skilled in deploying **ERP systems** such as **Microsoft Dynamics 365** and **SAP** to ensure **real-time inventory visibility, data accuracy, and optimized supply chain performance**. Proven ability to lead **high-performing teams**, implement **process improvements**, and drive **cost-saving initiatives** through effective **stock audits, inbound/outbound logistics, and vendor collaboration**. Recognized for achieving **99% inventory accuracy**, reducing **lead times**, and aligning warehouse functions with **project delivery goals**. Experienced in working under **ISO 9001 standards**, maintaining **HSE compliance**, and delivering **KPI-based performance reporting** to support strategic business decisions.

Career Objective: Seeking to leverage my expertise in warehouse operations, logistics, and supply chain management to contribute to a forward-thinking organization, where I can optimize resources, enhance efficiency, and support long-term business success.

PROFESSIONAL EXPERIENCE

Warehouse Manager

Arabian Supply Contracting Establishment – Contracting Division | (Aramco Projects), KSA

Jun 2025 – Present

- **Managed** comprehensive warehouse operations across multiple **Aramco project sites**, ensuring timely **receiving, storage, and dispatch** of construction materials, tools, and equipment in line with project timelines.
 - **Coordinated** closely with project management and procurement teams to **align material availability** with construction schedules, minimizing delays and optimizing site readiness.
 - **Implemented** and maintained **ERP systems** (SAP & Microsoft Dynamics 365) to enable **real-time inventory tracking, automated reporting**, and enhanced operational transparency across decentralized project locations.
 - **Ensured compliance** with **Aramco standards** for material handling, including quality inspection upon receipt, proper documentation, and adherence to **HSE regulations** in all warehouse activities.
 - **Led and developed** warehouse staff by establishing clear **KPIs**, promoting **continuous improvement**, and optimizing workflows to enhance **accuracy, safety, and efficiency**.
-

Warehouse Supervisor | Warehouse Officer

Hammoudah for Food Industries Co. | Amman, Jordan | 2021 – Jun 2025

- **Led and supervised** warehouse operations, ensuring smooth **inbound, outbound, and internal stock flow**.
 - **Worked extensively on SAP System** to manage **warehouse transactions, stock reconciliation, and reporting**, enhancing data accuracy and operational efficiency.
 - **Assigned and distributed daily tasks** to **warehouse staff**, monitoring productivity and adherence to procedures.
 - **Oversaw cargo loading and unloading processes**, ensuring compliance with handling and safety standards.
 - **Prepared and validated daily reports** covering **incoming, outgoing, and internal warehouse activities**.
 - **Conducted periodic inventory audits**, reconciling physical stock with records to maintain **accuracy and efficiency**.
 - Collaborated with the **Procurement Department** to align **purchasing activities** with **inventory requirements**, ensuring **optimal stock levels, timely replenishment, and cost-effective sourcing**.
-

Main Warehouse Keeper| Good System for Import & Export (ETI) | Amman, Jordan | 2019 – 2020

- **Received, inspected, and verified** cargo containers, ensuring full compliance with **company SOPs, customs regulations, and quality standards**.

- Executed periodic cycle counts and stock audits, maintaining **inventory accuracy** and supporting seamless **supply chain** operations.

Warehouse Keeper | Al-Shaikh Dairies | Amman, Jordan | 2018 – 2019

- **Received, inspected, and recorded inbound goods**, verifying accuracy against purchase orders and ensuring compliance with **quality and safety standards**.
- **Coordinated customized production requests**, releasing raw materials and goods to support **just-in-time** production schedules.
- **Monitored storage conditions** to ensure **product quality, shelf-life control, and FIFO application**.

Warehouse Keeper| Almarai (Teeba) | Amman, Jordan | Jun 2016 – May 2017

- **Oversaw daily receipt of fresh goods** from suppliers and distributors, performing **quality checks and accurate documentation**.
- **Processed and segregated damaged goods**, coordinating safe transfer to the **discards section** in line with company policies.
- **Monitored and tracked stock movements**, ensuring **timely availability of goods** to meet production and distribution requirements.
