Professional Summary

Results-driven Buyer with 5+ years' experience across EPC, construction, and trading sectors in Saudi Arabia and UAE. Proficient in procurement planning, cost control, contract negotiation, vendor audits, and compliance aligned with Aramco and SABIC standards. Demonstrated success in improving procurement cycles, minimizing delays, and enhancing material delivery for large-scale projects. Skilled in managing tools, manpower, and equipment logistics for shutdowns, turnarounds, and maintenance projects.

Core Competencies

Strategic Sourcing | Contract Negotiation | Shutdown Procurement | Vendor Management | Cost Optimization | SAP/ERP | Supply Chain Planning | Budgeting & Forecasting | Aramco/SABIC Compliance | Inventory & Logistics

Professional Experience

OLAYAN DESCON ENGINEERING CO. | Jubail, Saudi Arabia | Nov 2023 - Present

- Oversaw Aramco-compliant procurement of heat exchangers, vessels, skids for manufacturing & turnaround.
- Reduced costs by 15% via strategic vendor consolidation and demand forecasting.
- Conducted supplier evaluations and audits, ensuring ISO 9001 and Aramco standard compliance.
- Collaborated with engineering and stores to ensure timely tracking and documentation of materials.

SHANDONG TIEJUN ELECTRIC POWER ENGINEERING CO. | Jubail, Saudi Arabia | Aug 2021 - Nov 2023

- Executed procurement for \$650M Jubail 3A Independent Water Plant (IWP) project.
- Minimized delivery delays by 20% through supplier alignment and pre-qualification efforts.
- Managed procurement of tools, equipment rentals, and project-based manpower hiring.

CORODEX GROUP | Dubai, UAE | Jun 2020 - Jun 2021

- Handled procurement for desalination plant operations and MEP equipment.
- Negotiated contracts resulting in 10-15% cost reduction by leveraging vendor price intelligence.
- Initiated long-term supplier agreements to ensure uninterrupted project supply chain.
