PROFILE

Abdullah Alamari, a Supply Chain Specialist since June 2024 at UMQCOFFEE. I possess a strong ability to learn quickly and continuously improve, with a focus on enhancing operations in every area I work in. I have hands-on experience in inventory management, warehousing, and supply chain operations, with a clear emphasis on improving efficiency and overall performance.

I am proficient in using Microsoft 365 tools to support and organize work processes. I adapt well to challenges and excel at learning and mastering new skills. I am also highly focused on developing work environments through automation—not only to simplify tasks, but to effectively implement efficiency and effectiveness.
