Site Group for Services and Well Drilling. Jordan
Storekeeper **04/2013 - 31/08/2022**

I was thrive in ensuring the organization & security of goods, warehouses, & stores. I seamlessly implement instructions, maintain the site through regular inspections, & implement fire, theft, & vandalism prevention measures. My expertise manifests in meticulously placing & arranging goods for efficient retrieval, while my dedication to data integrity extends to meticulous recordkeeping, from incoming/outgoing quantities to material organization & inventory management. I vigilantly manage damaged & replaced items. Supervising warehouse workers & preparing entry/exit records are equally within my purview. My dedication culminates in comprehensive weekly reports detailing all warehouse activities, ensuring transparency and informed decision-making.
