INTERIOR DESIGN ENGINEER

As an experienced interior design engineer with a proven track record in sales and customer service, I aim to leverage my technical expertise and interpersonal skills to provide innovative design solutions and exceptional client experiences. My goal is to contribute to a dynamic team where I can apply my creative and analytical abilities to drive sales growth, enhance customer satisfaction, and deliver high-quality design projects. Offering a strong foundation in business strategy, data analysis, and project management, with a proven ability to drive efficiency, deliver successful outcomes and collaborate within cross-functional teams.

- Corporate turn-around
- Adobe Design
- Strong interpersonal skills
- Proactive and self-motivated
- Exceptional organizational skills
- Skilled Multitasker
- AutoCAD
- Digital Marketing
- Supervisory skills

PROFESSIONAL EXPERIENCE

Yas Designs

Bahrain. 2019 - 2020

Undertaking design project

Experienced in managing design projects from initial concept through to final completion, I excel in defining project requirements and schedules during the briefing stage. My skills include interpreting and translating customer needs into preliminary plans, overseeing work progress, and collaborating closely with designers, decorators, architects, and constructors to ensure seamless project execution.

British Airways

Florida, United States. 2013 - 2019

Turnaround Coordinator | Ramp safety coordinator | Supervisor-gate lead

Experienced in overseeing turnaround operations and ensuring efficient coordination, I have a proven track record as a Ramp Safety Coordinator. Additionally, I excel in leadership roles as a Supervisor and Gate Lead, where I oversee and manage operations with a focus on safety and efficiency.

Speedie Way Auto Sales

St Louis, United States. 2020 - 2024

Proficient in automobile knowledge gained through detailed study of characteristics, capabilities, and features, I specialize in cultivating relationships with customers by maintaining rapport with previous clients and suggesting trade-ins. My strength lies in matching customers with their ideal vehicles by thoroughly understanding their requirements and interests, effectively qualifying them and recommending suitable car models.

EDUCATION

Bachelor of Engineering - BE, Interior Design

Gulf University. 2018 - 2022

Nova Southeastern University

Real Estate learning center. 2017 - 2018

EXTRACURRICULAR ACTIVITIES

Limitless Founder - Community Volunteer

Jan 2011 - Jan 2014

Chairman of the site and committee - Bahrain Authority of culture and Antiques

ناء الش باب

Jan 2011 - Jan 2013
