Experience

Customs Clearance Specialist

Mar 2022 – Present

DHL Global Forwarding – Eastern Province, Dhahran

- Served as a Customs Specialist on a SABIC industrial project, managing the clearance of over 50 shipments daily with high efficiency.
- Coordinated and collected delivery orders from various shipping lines and agencies to ensure timely processing and clearance.
- Acted as the Ocean Shipments Department Coordinator on three separate occasions, ensuring smooth operations in the absence of the coordinator.
- Proficient in Saudi Customs' electronic systems, including the FASAH system for seamless and efficient customs clearance processes.
- Experienced with special free zones, including King Abdul Aziz Port and King Fahd Airport, ensuring compliance with specific regulatory requirements.
- Skilled in preparing and managing key customs documents, such as bills of lading, commercial invoices, certificates of origin, packing lists, and import/export declarations.
- Contributed significantly to improving clearance KPIs, actively participating in efforts that led to surpassing management expectations and restoring performance after a period of decline.

Electric Technician

Jan 2021 - Jan 2022

Otis – Eastern Province, Dhahran

- Performed maintenance and repair on elevators and escalators, ensuring optimal functionality and safety compliance.
- Documented and processed billing receipts and salary slips for employees, maintaining accurate financial records and documentation.
