Supply Chain management and Logistics

Motivated supply chain professional with hands-on experience in vendor management, logistics, and procurement. Passionate about optimizing supply chain processes and building strong supplier relationships to improve efficiency and service quality. A collaborative team player who thrives in problem-solving and working in fast-paced environments. Always eager to learn and contribute to business success.

Experience

▪ Founder

Borooa Ahsa, Saudi Arabia

Jan 2022 - Oct 2024

- Established and managed an online marketplace supporting local artisans and handcrafted goods.
- Worked closely with vendors to improve onboarding, product listing, and customer engagement.
- Managed supplier relationships, negotiated fair pricing, and ensured a smooth procurement process.
- Oversaw logistics and delivery processes to ensure timely fulfillment.
- Developed policies to maintain product quality and consistency.

▪ Sales Representative

Desert Designs Khobar, Saudi Arabia

Mar 2023 - May 2023

- Assisted customers in selecting handcrafted furniture and decor that suited their needs.
- Helped manage inventory to ensure stock availability.
- Supported merchandising efforts to enhance product visibility and improve sales.

▪ Co-op Training Trainee

King Fahad Medical City Warehouses Riyadh, Saudi Arabia

Jan 2022 - Mar 2022

- Assisted in warehouse inventory management and tracking of medical supplies.
- Gained hands-on experience in procurement and supplier coordination.
- Contributed to optimizing storage and distribution processes within the medical warehouse.
- Supported stock audits and quality control checks to ensure compliance with health regulations.

▪ Sales Representative

Wassit Group Riyadh, Saudi Arabia

Jun 2020 - Sep 2020

- Identified potential customers and introduced them to company products.
- Assisted in negotiating sales contracts and coordinating deliveries.
- Gained valuable experience in customer service and sales operations.

Education

▪ Supply chain management Associate degree

Institute of Public Administration Riyadh, Saudi Arabia

4.04/5 GPA
