OBJECTIVE: TO GROW WITH A PROFESSIONAL ORGANIZATION USING MY SKILLS AND STAND OUT AS A KEY RESOURCE FOR IMPLEMENTATION OF ORGANIZATIONAL OBJECTIVE

Experience

AUG 2024- CURRENT

DRAFTSMAN MEP/CIVIL –NAJEEB NABIL ABDUL LATIF MULLA CONTRACTING COMPANY, JEDDAH KSA

- To Prepare detailed CIVIL drawings and plans in accordance with project specifications, building codes, and industry standards.
- To Work closely with mechanical, electrical, and plumbing engineers to translate design concepts into comprehensive MEP layouts, ensuring alignment with project requirements and technical feasibility.
- To Incorporate feedback from project stakeholders, architects, and contractors to revise and refine MEP designs throughout the design development and construction phases, ensuring alignment with evolving project needs.

MAY 2024- AUG 2024

DRAFTSMAN CIVIL / MEP - KMZ CONSTRUCTION COMPANY, JEDDAH KSA

- To Prepare detailed DRAFTSMAN CIVIL drawings and plans in accordance with project specifications, building codes, and industry standards.
- To Work closely with mechanical, electrical, and plumbing engineers to translate design concepts into comprehensive MEP layouts, ensuring alignment with project requirements and technical feasibility
- To Incorporate feedback from project stakeholders, architects, and contractors to revise and refine MEP designs throughout the design development and construction phases, ensuring alignment with evolving project needs.

NOV 2019- APRIL 2024

DRAFTSMAN CIVIL / MEP - HIGHNOON, PAKISTAN

- Utilized CAD software (such as AutoCAD, Sketchup,) to create detailed drawings and technical documentation for pharmaceutical equipment, machinery, and facilities.
- Collaborated with engineers, architects, and project managers to understand design requirements and specifications for various projects related to pharmaceutical production, packaging, and facility layout.
- Developed 2D and 3D models of equipment and machinery used in pharmaceutical manufacturing processes, ensuring accuracy and adherence to industry standards and regulations.
- Generated schematics, blueprints, and diagrams for equipment installation, maintenance, and troubleshooting, providing comprehensive documentation for internal use and regulatory compliance.
- Maintained organized files and records of CAD drawings, versions, and revisions, facilitating easy access and retrieval of information for future reference and modification.

DECEMBER 2018 – NOV 2019

DRAFTSMAN CIVIL - HIMONT, PAKISTAN

- Developed schematics, blueprints, and diagrams for various pharmaceutical manufacturing processes, including equipment assembly, packaging lines, and facility infrastructure, ensuring compliance with industry standards and regulations.
- Conducted thorough quality checks on CAD drawings and models to identify and resolve any discrepancies or errors, ensuring alignment with project specifications and company standards.
- Adhered to safety protocols, regulatory requirements, and quality standards applicable to pharmaceutical design and engineering, prioritizing compliance and risk management in all design activities.

APRIL 2013 – DECEMBER 2018

DRAFTSMAN CIVIL HASEEN HABIB CORP PAKISTAN

- Adhered to safety protocols, building codes, and regulatory standards relevant to civil, mechanical, and fire protection design and construction, prioritizing compliance and risk mitigation in all design activities within client plants

APRIL 2009 – APRIL 2013

**DRAFTSMAN CIVIL YOUNG CONTRACTING & PROJECT MANAGEMENT
COMPANY, LTD., JEDDAH, K.S.A**

- Conducted site visits and surveys to gather information, measurements, and data necessary for the development of CAD drawings, ensuring accuracy and alignment with existing site conditions and project constraints.
- Participated in project meetings and design reviews to present CAD models and drawings, solicit feedback, and make revisions as necessary to meet project objectives, deadlines, and client expectations.

- Developed architectural, structural, mechanical, and electrical drawings for various construction projects, including residential, commercial, and industrial buildings, as well as infrastructure projects such as roads, bridges, and utilities.

APRIL 2007 – TO APRIL 2009

DRAFTSMAN CIVIL ACE ARCHITECTURAL & TOWN PLANNING SERVICES (PVT)

LTD, PAKISTAN

JANUARY 2005 – TO APRIL 2007

DRAFTSMAN CIVIL WASIF ALI & ASSOCIATES, PAKISTAN

JUNE 2004 – TO JANUARY 2005

DRAFTSMAN CIVIL MAJID KHAN & ASSOCIATES, PAKISTAN

Education

JANUARY 2001

MATRIC, BISE LAHORE, PAKISTAN

MARCH 2003

DIPLOMA AUTOCAD, EDGE SYSTEMS INTERNATIONAL COLLEGE LAHORE
PAKISTAN

AUGUST 2010

DIPLOMA DRAFTMAN CIVIL, GOVT. TECHNICAL TRAINING INSTITUTE 96,
LAHORE PAKISTAN
