

RAHMA ALDAUD

SUMMARY

Dedicated Architect with professional experience of detailed design with analysis and implementation of international building code. Experience consists of preparation of building data sheet / space plan, detail design to development of construction details along with preparation of MTO, with track record of providing deliverables in time and budget.

EXPERIENCE

INTERIOR ARCHITECT 02/2022 to Current

Abdulrahman Alnaim Consultant Eng, Dammam , Eastern Province

- Received complaints and feedback from site personnel and contacted project stakeholders to resolve complex problems.
- Determined client requirements and employed complex software and drawing tools to plan and design different systems.
- Controlled project budget, implemented cost monitoring and restructured repetitive processes to cut costs and maximise profits.
- Identified and outlined construction risks and defined solutions to address issues and stem delays from incomplete tasks.
- Assessed technical documents and consulted stakeholders on requirements for construction projects to determine project tasks and expected deliverables.
- Sourced furniture, lighting and textile samples to assist clients with informed decision-making.
- Discussed design specifications and procedures with project manager, engineering team and construction manager.

PROJECTS -

- RC - Friday and Daily Mosques, and Kindergarten Landscape: Al-Jubail, KSA
- Private Villas: Dammam, KSA

INTERNSHIP TRAINER 02/0202 to 08/2021

Aljomaih Beverages Company , Dammam , Eastern Province

- Developed accurate models for client meetings, ensuring dimensions were to exact scale.
- Assisted with project costing and monitored spending in line with budget limitations.
- Helped staff with conceptualizing and visioning projects to define strategic goals.
- Completed health and safety reports, following company policy to review prospective internships.
- Researched construction materials and methods to verify compliance with established laws and regulations before project start.
