MEDIA | CORPORAT & STRATEGIC COMMUNICATION | PUBLIC RELATIONS

ABOUT ME

I am a recent graduate in Media and Strategic Communications with a strong foundation in media relations, brand messaging, managing communication strategies, and engaging diverse audiences across multiple platforms. I am skilled in leveraging social media, public relations, and internal communication tools to support organizational goals and build strong brand presence.

EDUCATION

BSC. Media – Strategic Communications | King Faisal University | 2023

- Enhance written, oral, and visual communication skills to convey messages to diverse audiences.
- Learn to design, implement, and evaluate strategic communication campaigns.
- Acquire skills to effectively use digital and social media platforms for strategic communication.
- Gain a comprehensive understanding of various media theories and how they apply to strategic communication.

EXPERIENCE

Service Specialist | Alahsa Health Cluster

Tamheer | February 2025 – Present

- **Patient Interaction:** Help patients with check-in, registration, and discharge processes.
- **Administrative support:** Schedule appointments and coordinate with different departments.
- **Customer Service:** Ensure high standards of service quality and patient satisfaction.
- **Communication:** Liaison between patients and healthcare providers.
- **Compliance and Safety:** Follow hospital policies, HIPAA, and confidentiality protocols.

King Faisal University | Center for Communication and Media

Internship | 2023

- Assisted in the creation of written, visual, and multimedia content for various platforms.
- Assisted in the planning, execution, and evaluation of communication and media campaigns.
- Tracked media coverage, compiled reports, and presented findings to the team.
- Conducted research on media trends, audience behavior, and communication strategies.
