SUMMARY

Experienced Interior Design Project Manager with over 4 years of experience in managing, executing, and supervising interior design projects in residential, commercial, and hospitality sectors. Strong background in concept development, space planning, 3D visualization, material selection, and project coordination. Dedicated to delivering culturally rooted and innovative design solutions that align with Saudi Arabia’s architectural identity.

EXPERIENCE

Interior Design Project Manager | Freelancer

Madinah, Saudi Arabia | June 2020 – Present

- Delivered 50+ interior design projects across villas, cafés, offices, and commercial spaces.
- Developed layout plans, 3D renderings, and detailed construction drawings.
- Managed supplier communication, material selection, and client presentations.
- Supervised site execution and ensured alignment with design and project goals.

Interior Design Engineer | Nuqoosh Arabia Contracting Co.

Madinah, Saudi Arabia | November 2021 – November 2023

- Drafted space layouts and interior packages based on client needs and project guidelines.
- Produced photorealistic 3D visuals and working drawings for execution.
- Prepared BOQs, material schedules, and design documentation.
- Attended site meetings and monitored implementation progress.
- Provided design input and ensured compliance with quality standards and local codes.
