PROFILE

I am a creative and detail-oriented Architect with 5 year of experience in the industry to developing conceptual plans and unique, functional and inspiring 3D designs while taking into consideration all the key aspects of space planning that meet budget and project criteria. I worked on a variety of commercial and residential projects, ranging from offices to small renovations. I was responsible for overseeing the design process, developing design concepts, producing detail's drawings and specifications, and managing the construction process.

WORK EXPERIENCE

AMIN SQUARE ARCHITECS ISLAMABAD PAKISTAN:

(SENIOR ARCHITECT)

FEB 2024
