SUMMARY

Interior Designer with over 5 years of experience delivering luxury, residential, and hospitality interior design projects across Saudi Arabia. I specialize in concept development, stakeholder coordination, and full-cycle project delivery - from design presentations to execution oversight. I'm passionate about creating spaces that reflect identity, elegance, and functionality.

I'm currently seeking impactful design roles where creativity meets culture - especially within national-level projects that align with Saudi Arabia's Vision 2030. A meticulous professional with at least three years of experience in interior design, dedicated to contributing to the company's goals and customer satisfaction.

I am excited to apply my skills in interior design and grow within the company.

I am a creative thinker, passionate about interior design, and look forward to bringing fresh ideas to the ambitious team.
