Projects

Graduation Project: "Sea Food Restaurant" Concept Development
King Mariout University, Alexandria | 2023

- Designed a comprehensive business plan for a **specialized seafood restaurant**, focusing on modern culinary trends and sustainability.
- Conducted **market research** to identify target demographics, competitor analysis, and location feasibility in Alexandria.
- Created a **seasonal menu** with cost-effective sourcing strategies for fresh seafood, including partnerships with local suppliers.
- Developed a **brand identity**, including restaurant theme, interior design mockups, and marketing campaigns (social media, events).
- Performed **financial projections**, including startup costs, break-even analysis, and ROI timelines.
- Presented the project to a faculty panel, earning "B+ (very good)".
