📍 Ad Dammam, Eastern Province, Saudi Arabia

Professional Summary

Results-driven Procurement Superintendent with over a decade of progressive experience across procurement, logistics, and operations. Proven success in supplier negotiations, credit management, and cost-saving initiative enabling significant improvements in supplier credit and delivering major savings in procurement and transportation. Adept at building strong supplier relationships, resolving critical supply chain challenges, and securing essential materials under pressure. Fluent in Arabic and English, with strong command of Microsoft tools and ERP systems including Business Dynamics 365 and SAP. Valued for resilience, innovation, and a hands-on approach to strategic procurement.

Professional Experience

INCO Precast Concrete Factory

Procurement Superintendent

Jan 2024 – Present

- Oversee daily procurement operations across materials and services for precast manufacturing
- Lead negotiations with credit and cash suppliers, ensuring high-quality materials and timely deliveries
- Manage supplier relationships, resolve credit and payment issues, and secure extended credit terms
- Facilitate procurement under critical timelines; reorganize supplier plans to meet urgent demands
- Played a key role in raising company credit access.
- Worked proactively with warehouse and operations teams to align delivery timing with project timelines and prevent material shortages
