OBJECTIVE:

Enthusiastic, highly motivated MIS graduate seeking an entry-level position in Management Information Systems where I can leverage my academic background and internship experience at SABIC in procurement, contract management, and ERP systems (SAP/SRM) to contribute to organizational efficiency and growth while developing my technical and professional skills.

EDUCATION

Bachelor's Degree in Management Information Systems

[2025]

Imam Abdulrahman Bin Faisal University, Dammam, Saudi Arabia

WORK EXPERIENCE

COOP Student- Global Indirect Material, SABIC, Jubail, Saudi Arabia

[June 2025- Aug 2025]

- Gained hands-on experience with procurement systems and ERP tools, including SAP, SRM, Celonis.
- Attended negotiation session with procurement manager to implement long-term purchasing agreements.
- Completed an intensive procurement training program at SABIC, gaining exposure to end-to-end sourcing processes, procurement cycle, supplier management, and contract handling.
- Worked on IT service sourcing plan to select qualified suppliers, and to ensure reliability on IT Service.

Discord Support, Saudi Esports Federation, Online, Saudi Arabia

[July 2025- Dec 2025]

- Provide real-time support to tournament participants via Discord, addressing inquiries and resolving technical or gameplay-related issues.
- Communicate schedule updates, rule changes, and important data for unresolved issues to the tournament administration team.

ACADEMIC PROJECTS

Assistant Design Planner, BLESSING Mobile Application, Dammam, Saudi Arabia

[Jan 2025 – May 2025]

- Design a mobile application that help business owner to sell the excess food with discounted price.
- Design charts and create survey to collect database.
