SUMMARY

A highly motivated Management Information Systems graduate from Imam Abdulrahman Bin Faisal University, with a strong interest in data analysis, business systems, and digital transformation. I aspire to gain hands-on experience in designing and optimizing business solutions through data-driven decision making and enterprise technologies. I have a solid foundation in tools such as Excel, Power BI, HTML, and SQL, along with excellent analytical skills and a passion for continuous learning and professional growth.

EDUCATION

Bachelor's degree: Management Information Systems, 08/2020 - 08/2025
Imam Abdulrahman Bin faisal university | IAU - Dammam , Saudi Arabia

WORK EXPERIENCE

Summer Trainee , 05/2018 - 07/2018

Saudi Aramco - Dhahran

- I was a student at Aramco Summer Program that provides a summer opportunity to develop talent through a challenging local experience that stimulates creative and analytical thinking.

Volunteer, 11/2018 - 11/2018

Saudi Aramco - Dhahran

- I volunteered for the 2018 Feel the Burn Firefighter Challenge in Dhahran, which highlighted the incredible skills of firefighters who serve our community tirelessly.

CO-OP training , 01/2025 - 05/2025

Saudi Aramco - Dhahran

- Completed a 16-week cooperative training at Saudi Aramco from January 12, 2025, to May 11, 2025.
- Worked in the TSHR Department, specifically within the Technical Professional Development Program unit.
- Collaborated with the Specialist Development Program (SDP) team to support program operations and documentation.
- Contributed to the C-Map team by assisting in tasks related to competency mapping and development planning.
