PROFILE INFO

I'm applying for the position of (interior design).

Kindly accept my resume in support of my application.

I have searched the requirements and the job description of this position. Therefore, I believe that my skills align with the job to deliver the best support for students in their education.

I studied interior design engineering at Gulf university. However, I didn't complete my bachelor's degree for critical reasons. Furthermore, I'm available to work immediately in your organization to get the proper experience, which will be beneficial to support my resume in future.

I believe that being a part of your team will enforce my knowledge and skills to become professional in my future career. Thank you for considering my application and looking forward to hearing from you.
