

HAMAD ALBUAINAIN

Logistics & Supply Chain Graduate | Procurement & Inventory Enthusiast

+966546970774 hamad.albuainain@outlook.sa Jubail

Summary

A Fresh graduate in Logistics and Supply Chain Management with strong knowledge of procurement, warehousing, transportation, inventory, and supply chain operations. Skilled in problem-solving, decision-making, and collaboration, with a keen interest in optimizing processes to reduce costs and improve efficiency. Eager to apply academic knowledge and practical training to support business growth.

Education

Bachelor degree in Logistic and Supply Chain Management
Jubail Industrial college

2020 – 2025
Jubail, Saudi Arabia

Professional Experience

Logistics & supplychain co-op student
SABIC United

06/2025 – 10/2025
Jubail

- Completed corporate induction, including safety orientation, workplace familiarization, and training schedule coordination.
- Gained hands-on exposure to production planning and product management across multiple product lines (LAO, EG, CO₂, Ethylene, PE).
- Supported business development activities, including product costing, enterprise risk management, and business continuity planning.
- Assisted in operations and material handling for key industrial products (CO₂, HEG, C-20, C6) within Utilities & Offsites.
- Prepared and contributed to reports and presentations submitted to the Senior Management Team, demonstrating analytical and communication skills.

Projects

Warehouse Layout and Process Improvement

07/2025

Redesigned warehouse layout and processes using Lean/Six Sigma techniques to improve efficiency, optimize space utilization, and enhance safety — resulting in faster processing times and increased throughput.

Supply Chain Network Optimization

09/2025

Analyzed the entire supply chain using Excel and SAP to identify inefficiencies, reduce costs, and streamline logistics — delivering actionable recommendations that improved delivery times and lowered expenses.
