SUMMARY

Motivated medical student with a unique blend of clinical knowledge and practical experience gained through roles in sales and hospitality. Proven ability to thrive in high-pressure environments, with strong communication skills honed through extensive customer interactions. Demonstrated aptitude for multitasking, problem-solving, and team collaboration. Eager to leverage diverse skill set and adaptability in pursuing a medical career focused on patient care and healthcare innovation.

EXPERIENCE

NASMA COMPANY

Khartoum, Sudan

Sales Representative

12/2021 to 01/2023

- Marketed and promoted air conditioner spares.
- Utilized effective communication strategies to increase air conditioner sales.
- Generated sales by prospecting leads, cold calling and closing deals.
- Cultivated long-term relationships with clients to accurately quote prices and terms, achieving customer objectives.
- Operated register to process payments via cheque, cash and cards.

MILITARY HOSPITAL

Khartoum, Sudan

Medical Assistant

11/2020 to 01/2023

- Administered first aid and basic life support to patients in urgent care situations, following established protocols.
- Collaborated with healthcare teams to develop care plans, contributing observations and patient feedback.
- Processed patient admissions and discharges, accurately documenting all relevant information in hospital systems.
- Provided wound care management, including dressing changes and suture removal, under the supervision of a registered nurse.
- Assisted physicians during examinations and minor surgical procedures, providing instruments and materials.
- Educated patients on post-visit home care instructions, medication usage, and lifestyle adjustments for improved health outcomes.
- Delivered compassionate care to patients, offering emotional support and information regarding their treatment plans.
- Operated various medical equipment, such as ECG machines and blood pressure monitors, with proficiency.

NILE CLUB

Khartoum, Sudan

Waiter

05/2021 to 07/2021

- Greeted new customers, answered initial questions and took drink orders.
- Assisted in the planning and execution of special events and functions, providing exceptional service to large groups.
- Processed payments accurately, handling cash, card transactions, and splitting bills as requested by customers.
- Managed table assignments efficiently, maximising dining space and reducing wait times for guests.

YASTABSHIRON HOSPITAL

Khartoum, Sudan

Coordinator of Hospital Waiting Lists

04/2018 to 12/2018

- Engaged with patients on waiting lists, offering updates and reassurance about expected waiting times and procedures.
- Managed the allocation of cancelled appointments, ensuring they were filled efficiently to maximise resource utilisation.
- Coordinated hospital waiting lists, prioritising patient appointments based on clinical urgency and resource availability.
