

Anwar Daifallah Al-Ansari

Chemist

+966 569 995 958 Anwardaiif@gmail.com anwarda-alansari Saudi Arabia

SUMMARY

I am dedicated and knowledgeable Chemistry graduate from King Abdulaziz University with a Bachelor’s Degree, showcasing a profound grasp of fundamental chemical principles and adeptness in laboratory techniques. Possesses refined problem-solving skills, adept at applying theoretical knowledge to solve intricate chemical challenges. Supported by certifications in laboratory quality systems, food safety management, and ISO standards, alongside a commitment to community engagement through volunteering initiatives, demonstrating a well-rounded professional profile poised for contributions as a Chemist, research assistant, or scientific researcher.

EXPERIENCE

Batterjee Pharmaceutical Factory | Saudi Arabia

Quality Assurance | August 2023 – June 2025

- Conducting in-process checks for batch dispensing and all production stages.
- Implementing online controls to monitor product quality during manufacturing.
- Performing sampling for analysis in the Quality Control lab and during the production process.
- Batch documentation: monitoring, review, and approval (BPR/BMR).
- Reviewing all relevant documents to ensure accuracy and compliance.
- Ensuring line clearance to prevent cross-contamination between production batches.
- Monitoring temp & humidity in production areas via BMS.

Al-Rehab Factory for Perfumes | Saudi Arabia

Trainee | chemist | 5 March 2023 - 16 March 2023.

- Tailoring formulas and assessing reagents for product testing.
- Analyzing raw materials including essential oils and alcohol-water blends.
- Generating technical reports and establishing standards.
- Enhancing chemical product quality through various analyses.
- Conducting comprehensive quality and safety evaluations.

EDUCATION

King Abdulaziz University | Saudi Arabia

Bachelor’s Degree in Chemistry | 2023.

Graduation Project: Removing toxic dyes by catalytic reaction technique using metal nanoparticles as catalysts

OTHER

- Certifications & Courses:**
 - Exit exam-Fac science | KAU | 2023.
 - Implementation of Laboratories Quality System ISO 17025/2017® | 2023.
 - Food Safety Management ISO 22000® | 2023.
 - Internal Auditor ISO 9001. ® | 2023.
 - Customer First | 2020.
- Volunteers:**
 - Volunteered in the Student Activities Coordinating and organizing awareness campaigns | King Abdulaziz University | 2023.
- Technical Skills:**
 - Laboratory Techniques.
 - Quantitative Analysis.
 - Instrumentation.
 - Quality Control/Assurance.
 - Data Analysis and Interpretation.
 - Documentation and Record-Keeping.
 - Synthetic Chemistry.
 - Proficiency in using Microsoft Office Suite.
- Soft skills:**
 - Communication Skills.
 - Problem-Solving Skills.
 - Attention to Detail.
 - Interpersonal Skills.
 - Time-Management.
 - Analytical thinking.
 - Collaboration and Teamwork.
 - Flexibility and Adaptability.
- Languages:** Arabic, English.
